A message from James Branden:
Mortgage rates are **moving back down** so feel free to give me a call or visit **my website** and I'll give you a quote.

ALERT: Additional Negative Reprice Risk

After leveling off earlier, selling is resuming now with 10yr yields up a quick 2.6bps at 5.137 and MBS now down more than a quarter point from many lenders' rate sheet print times.

Negative reprices are a bigger risk now compared to the first alert of the day.
