Daily Coverage. Industry Leading Perspective.

ALERT: Negative Reprices Becoming More Likely

Some lenders have already repriced for the worse, but there will likely be quite a few more as MBS are now down to new lows for the day. 5.5 coupons are roughly a quarter point below the levels at which many lenders created rate sheets for the day.

10yr yields are up 3.1bps at 4.303, also the weakest levels of the day.
