The Day Ahead: Coasting Into The Weekend With Little Regard For Data

One might assume that an economic report like Import Prices would carry a lot of weight in light of the news cycle or that the highest 1yr inflation expectations since 1981 in the Consumer Sentiment survey might cause a stir. In practice, Import Price data is never a big market mover. Inflation expectations have had an impact at times, but the assumption is they're overdone this time due to the news cycle and survey timing.
