

# MBS & TREASURY MARKETS

Daily Coverage. Industry Leading Perspective.

## **ALERT:** Weakest Levels of The Day

MBS are now down a quarter point on the day and just over a quarter from the highs. Lenders who priced early in the morning are seeing 6 ticks (.19) of weakness from rate sheet print times and are thus at risk of repricing.

10yr yields are up 5bp at 4.273. Data drove the initial selling, but potential Senate passage of the spending bill is keeping the pressure on.
