A message from Nickolas Inhelder:

We Make Home Happen.™

Our goal is simple:

To help every family we serve get to “Yes.”

Yes to the loan that unlocks the joy of home ownership.

Yes to the lending solution that meets every client’s unique needs and wants.

That’s why we dedicate our every resource to serve as your personal guide through the lending process, solving problems, building confidence. Aslan has access to every lending option leading to the purchase or refinance of a residential home loan.

This is more than work for us. It is our unique joy in this life to share our collective skill, creativity, and care to bring you and your family right to where you belong.

Let’s make home happen.

ALERT: Weakest Levels; Just a Bit More Reprice Risk

MBS are now down a quarter point on the day and 6 ticks (.19) from intraday highs. This is only 2 ticks (.06) lower vs the previous lows, but that's enough to increase negative reprice risk for the more reactive lenders.

10yr yields are also at their weakest levels, up 5.6bps at 4.121.

There is no new news driving the modest afternoon selling--just an incidental byproduct of late-day liquidity and position-squaring.
