Daily Coverage. Industry Leading Perspective.

ALERT: Giving Up Most of The Gains

10yr yields are nearly back to unchanged levels now after being down more than 5bps earlier this morning. A majority of the move has played out in the 25 minutes since the 9:30am NYSE open--further bolstering the case that the morning rally had to do with stock market losses.

MBS are along for the ride--still up 2 ticks on the day (.06) but down 6 ticks (.19) from the AM highs. Lenders who were out with rate sheets early could already be considering a reprice.
