

# MORTGAGE RATE WATCH

Daily Coverage. Industry Leading Perspective.

## Mortgage Rates Unchanged Versus Wednesday

As is most often the case, the Friday after Thanksgiving added nothing interesting to mortgage rate momentum. The average lender's top tier 30yr fixed rate is exactly where it was on Wednesday. The underlying bond market closes early today, but will be fully open next week. At that point, we're likely to see some volatility return for rates, depending on the results of economic reports.
