ALERT: Down an Eighth From AM Highs

Just a heads up that MBS are now down an eighth of a point versus the morning's highs. Since those highs coincided with some lenders' rate sheet print times, negative reprices are becoming a consideration for the jumpiest lenders.

Bond losses have been mild and gradual. 10yr yields are up 4bps at 4.104, just barely higher than the AM highs of 4.102.
