A message from Nickolas Inhelder:

We Make Home Happen.™

Our goal is simple:

To help every family we serve get to “Yes.”

Yes to the loan that unlocks the joy of home ownership.

Yes to the lending solution that meets every client’s unique needs and wants.

That’s why we dedicate our every resource to serve as your personal guide through the lending process, solving problems, building confidence. Aslan has access to every lending option leading to the purchase or refinance of a residential home loan.

This is more than work for us. It is our unique joy in this life to share our collective skill, creativity, and care to bring you and your family right to where you belong.

Let’s make home happen.

The Day Ahead: Yields Testing Range Ceiling Ahead of Auctions, Data, And The Fed

Bonds are under pressure yet again at the start of the new week--insult added to injury coming off of the worst week of selling since the late October Fed announcement. On that note, some of the recent weakness could be the bond market's way of bracing for another unfriendly impact from the Fed. There's also the need to make room for Treasury auctions during a less liquid time of year as well as a relatively important JOLTS release on Tuesday morning. Either way, 10yr yields are stretching the upper boundary of the medium term range.
