A message from Nickolas Inhelder:

We Make Home Happen.™

Our goal is simple:

To help every family we serve get to “Yes.”

Yes to the loan that unlocks the joy of home ownership.

Yes to the lending solution that meets every client’s unique needs and wants.

That’s why we dedicate our every resource to serve as your personal guide through the lending process, solving problems, building confidence. Aslan has access to every lending option leading to the purchase or refinance of a residential home loan.

This is more than work for us. It is our unique joy in this life to share our collective skill, creativity, and care to bring you and your family right to where you belong.

Let’s make home happen.

ALERT: Negative Reprice Risk Picking Up a Bit

MBS are only 1 tick (.03) lower than they were at the time of the last alert, but negative reprices are a slightly stronger possibility now considering the selling trend in the broader bond market (and the fact that this weakness has been more gradual).

10yr yields are up 5.4bps at 4.228. MBS are down 5 ticks (.16) and some lenders are seeing at least as much weakness from rate sheet print times.
