A message from Nickolas Inhelder:

## We Make Home Happen.™

Our goal is simple:

To help every family we serve get to “Yes.”

**Yes** to the loan that unlocks the joy of home ownership.

**Yes** to the lending solution that meets every client’s unique needs and wants.

That’s why we dedicate our every resource to serve as your personal guide through the lending process, solving problems, building confidence. Aslan has access to every lending option leading to the purchase or refinance of a residential home loan.

This is more than work for us. It is our unique joy in this life to share our collective skill, creativity, and care to bring you and your family right to where you belong.

Let’s make home happen.

## **ALERT:** Down by Just Over an Eighth From Highs

MBS hit their highs of the day around 10:45am after rising from the lows seen around 8:20am. That rally was nearly a quarter point. But since then, we've lost almost 6 ticks (.19).

Most lenders price early enough in the day (10am or earlier) that they are not seeing more than 2 ticks (.06) of weakness. Those lenders are not at risk of negative reprices.

But in the rarer cases of lenders posting prices closer to 11am, or in the few cases where lenders repriced for the better after 10:45am, negative reprices are becoming a modest risk.

The selling has been gradual and uneventful. We're still a few ticks off intraday lows and 10yr yields are up 6bps at 4.284--still about 1.5bps under the AM highs.
