

# MBS & TREASURY MARKETS

Daily Coverage. Industry Leading Perspective.

## **ALERT:** Weakest Levels of The Day

It's not a reprice concern (except for lenders with overnight price protection) because lenders aren't yet out with rates, but MBS are now at new lows for the day, down 6 ticks (.19). 10yr yields are at highs, up 3bps at 4.167. Reasons for the paradoxical move will be covered in the AM commentary.
