ALERT: MBS Down Just Over an Eighth From Highs

Bonds started the day in stronger territory but have been selling since 9:30am. Trading levels are right in line with Friday afternoon's lows, but MBS are down 6 ticks (.19) from this morning's highs. The jumpiest lenders could be considering a negative reprice if they released rates before 10am.

10yr yields are up 2bps at 4.552.
