

# MBS & TREASURY MARKETS

Daily Coverage. Industry Leading Perspective.

## ALERT: Selling Off After Dot Plot

The dots show a sharp bias toward higher rates by year-end and bonds are selling off. MBS down a quick eighth of a point and 10yr up 2.6bps at 4.468. Negative reprices are likely.

Before and After Dot Plot Comparison

| Rate | 2026       |            | 2027 |            | 2028 |            | Longer Run |            |
|------|------------|------------|------|------------|------|------------|------------|------------|
