

MBS & TREASURY MARKETS

Daily Coverage. Industry Leading Perspective.

A message from Northeast Financial LLC:

The interest rate data provided in this newsletter are national averages from independent data sources. Rate/APR terms may differ from those listed above based on the creditworthiness of the borrower. All information provided "as is" for informational purposes only, not intended for trading purposes or financial advice.

ALERT: Negative Reprices Slightly More Likely

MBS are down another few ticks and 10yr yields are pushing news highs for the day. The average lender is now seeing almost 6 ticks (.19) of weakness from morning rate sheet print times. That makes negative reprices a stronger possibility compared to at the time of the morning's first alert.
