A message from Tan & Samantha Tunador:

If you are ready to explore homeownership, let's open up a conversation to help you navigate the best route for you with down payment & monthly payment options. Finance programs are unique like you and one size does not fit all. The next step is a simple online application so that we can get you preapproved and ready to look for the perfect home. Unlike shopping for a car or rental applications, the credit pull to buy a home is not a derogatory. Homeownership and wealth building is the goal for all. Would you like to schedule time to chat? If you are a Realtor, would you like this calculator co-branded?

Mortgage Rates Little-Changed to Start New Week

It was a fairly uneventful day for mortgage rates to start the new week. The underlying bond market was slightly stronger. This suggests slightly lower interest rates. The average mortgage lender lowered top-tier 30yr fixed rates by 0.01% compared to Friday.

Underlying motivation for the bond market can mostly be attributed to lower oil prices, which have been a common source of intraday inspiration for better or worse.

With today's drop, the average lender remains right in line with the rates they offered before last week's Fed rate hike.
