A message from Nickolas Inhelder:

We Make Home Happen.™

Our goal is simple:

To help every family we serve get to **“Yes.”**

Yes to the loan that unlocks the joy of home ownership.

Yes to the lending solution that meets every client’s unique needs and wants.

That’s why we dedicate our every resource to serve as your personal guide through the lending process, solving problems, building confidence. Aslan has access to every lending option leading to the purchase or refinance of a residential home loan.

This is more than work for us. It is our unique joy in this life to share our collective skill, creativity, and care to bring you and your family right to where you belong.

Let’s make home happen.

ALERT: Losing Ground After Data and Headlines

War headline: IRAN SAYS IT’S IN NO RUSH TO NEGOTIATE

At almost exactly the same time, S&P PMIs came out much hotter than expected. These usually aren't market movers unless they are very far from forecasts or if the market is on the edge of its seat waiting for economic data to confirm/reject a recent or impending change in the Fed policy path. This qualifies on both accounts.

MBS are down 10 ticks (.31) and 10yr yields are up 6.4bps at 5.029.

Lenders who were already out with rates could already be considering a negative reprice.
