Daily Coverage. Industry Leading Perspective.

ALERT: Losing Ground After ISM Data

ISM Prices Paid rose to 77.9 from 71.1 previously. Bonds don't like it.

MBS are down just over an eighth of a point from early lenders' rate sheet print times and a quarter of a point on the day.

10yr up 5.1bps at 5.337.

Negative reprices can't be ruled out for early, jumpy lenders, but the market reaction is still playing out.
