

MBS & TREASURY MARKETS

Daily Coverage. Industry Leading Perspective.

A message from Tan & Samantha Tunador:

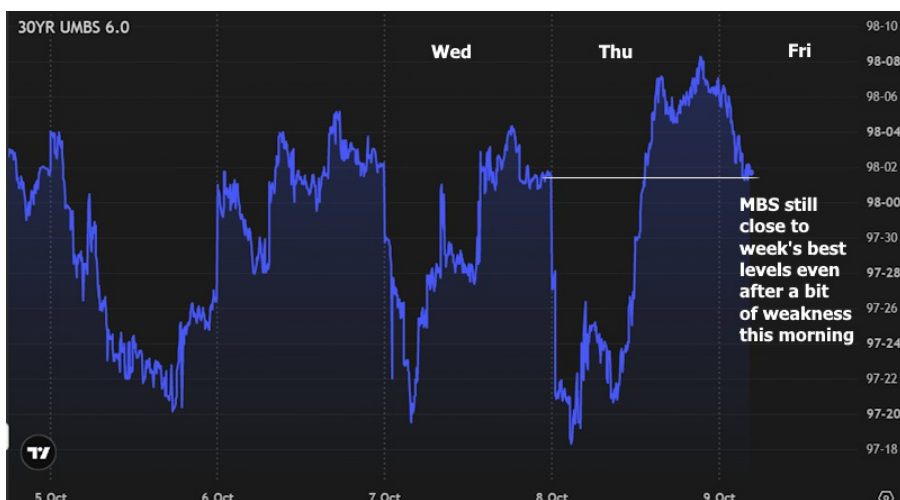

If you are ready to explore homeownership, let's open up a conversation to help you navigate the best route for you with down payment & monthly payment options. Finance programs are unique like you and one size does not fit all. The next step is a simple online application so that we can get you preapproved and ready to look for the perfect home. Unlike shopping for a car or rental applications, the credit pull to buy a home is not a derogatory. Homeownership and wealth building is the goal for all. Would you like to schedule time to chat? If you are a Realtor, would you like this calculator co-branded?

The Day Ahead: Slightly Weaker Start. Keep 3-Day Weekend in Mind

After yesterday's nice comeback, here's how we're thinking about today. Fridays before 3-day weekends:

- frequently see a move to the sidelines among certain investors. Traders who were tactically long bonds over the past 2 days could be booking profit. Translation: some of the strength over the past 2 days could turn to weakness for purely mechanical reasons.
- frequently see less determination to aggressively pursue new trading ideas in the absence of compelling econ data.
- often "don't count" when it comes to forming our view of prevailing short term trends.

Bonds are starting out slightly weaker, but MBS are right in line with Wednesday's close. Treasuries are even better than Wed's close. It would be a victory to close around these levels today. Any improvement is a bonus. And deterioration can be forgiven, as long as it doesn't get out of hand.
