MBS & TREASURY MARKETS

Daily Coverage. Industry Leading Perspective.

A message from Tan & Samantha Tunador:

If you are ready to explore homeownership, lets open up a conversation to help you navigate the best route for you with down payment & monthly payment options. Finance programs are unique like you and one size does not fit all. The next step is a simple online application so that we can get you preapproved and ready to look for the perfect home. Unlike shopping for a car or rental applications, the credit pull to buy a home is not a derogatory. Homeownership and wealth building is the goal for all. Would you like to schedule time to chat? If you are a Realtor, would you like this calculator co-branded?

The Day Ahead: Slightly Stronger Start

The bond market continues to decide who it wants to be in Q4, 2026--the harbinger of inflation concerns, debt issuance and economic growth or a safe haven for cash being freed up by AI capex deleveraging. We're starting slightly stronger today with the AI deleveraging trade apparently setting the tone. Movement is too modest to demand any rigorous analysis (Nasdaq lower, yields lower), but at least it's green.
