Daily Coverage. Industry Leading Perspective.

A message from Tan & Samantha Tunador:

If you are ready to explore homeownership, let's open up a conversation to help you navigate the best route for you with down payment & monthly payment options. Finance programs are unique like you and one size does not fit all. The next step is a simple online application so that we can get you preapproved and ready to look for the perfect home. Unlike shopping for a car or rental applications, the credit pull to buy a home is not a derogatory. Homeownership and wealth building is the goal for all. Would you like to schedule time to chat? If you are a Realtor, would you like this calculator co-branded?

The Day Ahead: Slightly Stronger Start, But Generally Sideways and "Waiting"

Bonds are technically just a hair stronger this morning, but in the slightly bigger picture, nothing has happened yet this week (not that we'd expect that to be the case before 10am on a Monday). The tech stock narrative that precipitated a sharp bond rally last Thursday continues to consolidate in a sideways pattern. Bonds are doing the same. Both are waiting for whatever's next. Wednesday's Fed announcement could be a source of inspiration if any forward guidance manages to slip through Warsh's forward guidance moat.
