

MBS & TREASURY MARKETS

Daily Coverage. Industry Leading Perspective.

A message from Tan & Samantha Tunador:

If you are ready to explore homeownership, let's open up a conversation to help you navigate the best route for you with down payment & monthly payment options. Finance programs are unique like you and one size does not fit all. The next step is a simple online application so that we can get you preapproved and ready to look for the perfect home. Unlike shopping for a car or rental applications, the credit pull to buy a home is not a derogatory. Homeownership and wealth building is the goal for all. Would you like to schedule time to chat? If you are a Realtor, would you like this calculator co-branded?

ALERT: Weakest Levels

MBS are down an eighth on the day and just over an eighth versus some lenders' rate sheet print times.

Reprice risk is minimal at this very moment, but would progressively increase if we move any lower from here. Both MBS and Treasuries are right up against their weakest levels of the day.
